SPECIAL YEAR END EVENT

Rain Barrels available at never before offered pricing for this year end event only.

80 gallon rain barrels are available for ~~\$125.00~~ **\$107.00 ***
38" H x 28" W - Retail Price: \$165.85 *

*Prices include sales tax and delivery to BJWSA pickup location.

Barrels come complete with a perforated entry screen to prevent insects from entering, a solid brass spigot that attaches to a garden or soaker hose and two overflow ports where standard garden hoses can be easily connected to move excess water away from your home. Installation instructions included.

Constructed with High Density Polyethylene HDPE, the premier dark green rain barrel blocks sunlight and prohibits algae. Our concave lid channels rain from any size downspout to the screened center entry and prevents ponding. Most importantly, the lid can be quickly removed for cleaning and dipping a watering can. Distinctive ribbed sides provide additional strength and overall excellent design.
