Ken Griffin Assumes Managerial Duties at BJWSA

Okatie, SC (September 22, 2011) — After a month of transition, Ken Griffin has officially assumed General Manager responsibilities at Beaufort-Jasper Water and Sewer Authority (BJWSA). The change occurred at the September meeting of BJWSA's Board of Directors. Griffin began his tenure at BJWSA on August 29, but has shared managerial responsibilities with outgoing manager Dean Moss during a transitional period.

"In my brief time here, I have been impressed by BJWSA," said Griffin. "The Board and staff have worked hard to ensure that the Authority is a top-notch utility, and I look forward to working with them to continue that tradition of excellence"

Griffin comes to BJWSA from Hillsborough County, FL, and has spent many years in the water and sewer industry. Moss, who served the Authority for 25 years, will remain at BJWSA in an advisory role until November 4.
