Wet Tap Fees

Wet Tap Fees are separate and are due before the tap can be scheduled.

A licensed utility contractor must prepare the main line and coordinate with BJWSA who will perform the actual tap to the main. If a pre-construction meeting is required for the project, the pre-con must be held before a quote can be released.

| Line size | Fee |
|----------------|----------|
| 2" and smaller | \$200.00 |
| 4" | \$300.00 |
| 6" | \$400.00 |
| 8" | \$500.00 |
| 10" | \$600.00 |
| 12" | \$700.00 |

NOTE: All rates are subject to change
